PROBUS LADIES who LUNCH

Dear Cambridge Women's Probuc members,

After our trial run to change the style of lunch service I wanted to send a notice to inform everyone I had a meeting with your executive to discuss what changes are required to make your "after meeting social time" more enjoyable.

We have agreed that to create a better experience we will be doing the following; **offering our full lunch menu with features** and **take orders right at the tables** as we would in the restaurant setting, have better execution getting the food out hot and fast.

We will still **ask that you sign** in if you are interested in staying for lunch we will make plans to make the space more appropriate size and create a better atmosphere where the tables are better organized for lunch.

Thank you for your continued business and support you give the Galt Country Club, we look forward to maintaining our relationship with Cambridge Women's Probuc.
