50+ Active Living Fair

Active Living Fairs are a public education initiative, developed in partnership between the Older Adult Centres Association of Ontario and the Ministry of Seniors and Accessibility (MSAA). The objective is to increase awareness about available programs and services for older adults and share knowledge about healthy aging and active lifestyles. This reduces social isolation, improves their overall health and wellbeing and helps them maintain their independence.

We would like to thank the following people who helped out with the planning and/or being at the booth promoting our Probus Club:

- Cathy Button
- Heather Cooper
- Carol Harvey
- Carol Bonnet
- Kay Crawford
- Gaenor Williams

It was a great day, and we have 8 women interested in joining Probus.

"Who Am I?": At the start of our meetings, it is always a pleasure to get to know both our new and long-standing members. While you may have been part of Probus for many years, our newer members may not yet know your story, so please don't hesitate to share. Please let a member of the executive know if you are interested.

December's Holiday Festive Meeting will be held

Vendors will be at our Christmas Market and will be taking cash or cheques only as payment.

Stay tuned for a list of vendors!

Join the Fun!

Some of our groups have reached their current capacity such as the Book Clubs, & POSH. If you would like to be a part of the fun, please contact the Convenor to be placed on a wait list.

Books R Us: In October we will be doing our popular Book Share and finding copies of "There Are Rivers in the Sky" to prepare for our meeting on November 13 when it will be presented. Contact Marilyn for more information.

The Page Turners*:* The club read ***The Art Thief: A True Story of Passion, Obsession, and A Monumental Crime Spree*** by Michael Finkel. The book chronicles one of the most outrageous crime sprees in history: Stéphane Breitwieser stole from more than 200 museums and galleries across Europe, amassing a collection worth an estimated $2 billion. He never resorted to violence – his thefts all occurred during daylight hours, most with the aid of his girlfriend, Anne-Catherine Kleinklaus, who served as lookout. Unlike nearly every other art thief, Breitwieser did not steal for money. He displayed his treasures in a secret lair where he and his girlfriend could admire them. The events that brought everything crashing down, and the alleged destruction of many of the pieces of art by his mother, are the most fascinating part of the story.

The book for next month is **Land** by Maggie O'Farrell.
The Page Turners meet the third Wednesday of each month at 1:30 pm at members' homes.

Culture Club: Currently on a break.

Hiking Club: The Hiking Club has been discontinued until further notice. If there is someone who would like to lead this group and start it up again, please let our management team know. The Hiking Club had some amazing hikes and fun experiences.

Theatre Club: Next on the agenda is **INTO THE WOODS** on Saturday, October 17th @ St. Jacobs Playhouse Theatre. **SNOW WHITE AND THE SEVEN TENORS: A PANTO** is scheduled for December 12th at 1:00pm, St. Jacobs Country Playhouse. **Please see back page for 2026-27 schedule.**

Mahjong Club – Express Your Interest: One member has offered to host, most likely on a Wednesday or Thursday afternoon, every second week, come September. If anyone is interested in learning or playing, please reach out to Liz Jeans.

Euchre Club: Always a good time, and there is an open invitation for more card players! The convenor going forward is now going to be Louise Bartolloni. Her contact information is on the Committee Connection page.

Technology Booster Club: The Club starts again for the fall in October. Stay tuned for further details.

Cathy's Comments (President's Message)

Hello Ladies!

First, I would like to thank you for electing me to be your President this year! I am looking forward to another year of fun and learning.

Our growing club has much to offer, with many ways to become more active with the growing number of special interest groups. These groups have formed through the interest of members, and they provide opportunities to learn and socialize beyond our monthly meetings.

We welcome you to connect with these clubs that reflect your interests. We also welcome you to share your ideas for new clubs. Note that many of these groups operate in members' homes, so the participation is somewhat limited by that capacity. This is why we now have three separate Book Clubs!

Feel free to share your ideas for anything that you may be interested in initiating. All ideas are welcome. This is your club, so you can personalize your experience. We hope that you will have a fun and educational year.

All the best,
Cathy
